

EXPO 2020 CHAMPIONS

JULY CHALLENGE

Expo Champions just got more exciting! Together with Knowledge and Human Development Authority (KHDA) we're giving you an Expo themed challenge for every week of the summer holidays.

Each week, the student with the best submission will win a family season pass to Expo 2020 Dubai (which include 2 parent and 2 children's passes)!

July Weekly Themes:

Week 1: Opportunity

Week 2: Mobility

Week 3: Sustainability

Week 4: Innovation & Technology

Here's what to do:

First, think about what that topic means to you. What does it make you think about? How does it make you feel?

Then, think about how you can best express those thoughts and feelings in an activity or project that you come up with from scratch. Next, complete the activity or project. Make sure it's original!

Finally, upload it to social media as text, images or video using the hashtag #8WeekStreak and #Expo2020Champions.

If the topic is sustainability for example, you might want to start a sustainable project, or write a story about some aspect of sustainability. It's really up to you, as long as what you create is original.

To help you get started, the table below gives you some ideas on the type of projects that you can work on.

Some more formats for your entries could be:

Song
Comic
Theory
Dance

Painting
Design
Prototype
Story

Sculpture
Invention
Website
Play

Graphic
Game
Business Idea
Recipe

We can't wait to see what you come up with!
